**1. Why are you interested in serving on the CCA Board of Directors?**

I live inside the park, and am appreciative of the opportunity to call this place home. I would like to help Chautauqua thrive into the future. I believe the membership, cottagers, and CCA board must collaborate to ensure a healthy

future for Chautauqua.

1. What would you hope to accomplish as a Board Member? What, specifically, would you like to work on as a CCA Board member, and why?

I hope to work in a collaborative fashion wherever I will be most useful. I am interested in governance. I would like to participate in keeping a balance between ensuring that as many people as possible have access to the park far into the future, and that the park not suffer physical effects from being “loved to death.”

2. What do you see as the three greatest challenges or issues facing Chautauqua and the Colorado Chautauqua Association in the next 5 – 10 years?

- 1) Mission clarification
- 2) Balancing public access and sustainability
- 3) Funding numbers 1&2

3. How could you aid CCA in its outreach to the community?

I would be happy to help with public information, as well as with development.

4. Describe your nonprofit or for-profit board experience. Please describe any fundraising experience you may have.

As stated above, I currently serve on the board of the Boulder Valley Waldorf School in Niwot, and have served it for three years. I have also served on the boards of two Waldorf schools in the Washington, DC. area. These are non-profits. I have not served on any for-profit boards.

For the schools I have helped plan and have participated in annual funding campaigns, as well as in capital campaigns. Otherwise I do not have fund-raising experience.

*Board members are expected to make a monetary donation of some amount in addition to the membership fee. We strive for 100 percent board participation.*
