1. Why are you interested in serving on the CCA Board of Directors?

Most importantly, I would like to support the mission of the Colorado Chautauqua and its relationship to the Boulder and greater Colorado communities.

CCA has a lot of important real estate and financial considerations around preservation and adhering to the Chautauqua mission. I hope that my experience serving on the board of a large real estate investment trust for the last thirteen years as well as other boards can be helpful to serving on the CCA board.

Also, my family has had a deep connection to Boulder, the University of Colorado, and the state of Colorado. I was born here, christened by Father Pat at St. Aiden's, and have had many family members attend or work at CU Boulder (mother, sister, wife, and my children in their summer programs). I have watched this city grow over the course of my life and hope to be part of seeing it excel into its next chapter.

2. What would you hope to accomplish as a Board Member? What, specifically, would you like to work on as a CCA Board member, and why?

I hope to create a platform that helps the Boulder community feel well-informed and participatory in the positive direction in which Chautauqua is headed.

I would hope to be part of the board as a cost-effective speaker series was established. This would both be true to the Chautauqua mission and ideals that are valued by the Boulder community. In doing so, I would hope that the auditorium could be effectively utilized and serve as a powerful connection for the Boulder community. I hope that my fundraising experience would assist with the emerging development program and serve to aid in the preservation and renovation of the precious buildings of this National Historic Landmark.

3. What do you see as the three greatest challenges or issues facing Chautauqua and the Colorado Chautauqua Association in the next 5 – 10 years?

- Careful capital allocation to allow for ongoing renovation and preservation of this important NHL
- Remain committed to the Chautauqua mission
- Create stronger connections to the Boulder community, the greater Colorado community and beyond.

Chautauqua belongs to everyone. It is a treasure to the American people as an NHL, to the City and people of Boulder and the residents of its grounds. I want to continue and expand our outreach to educate more and more people about all that Chautauqua has to offer. It is important to make Chautauqua accessible to all while remaining faithful to the mission.

4. How could you aid CCA in its outreach to the community?

I would work to communicate as much as possible to the community, encourage staff to develop programs that inspire all Boulder residents to experience the spirit of voluntary simplicity, lifetime learning, and love of nature and the arts. I also hope that CCA could provide more free or low cost programming to keep the community engaged. Fundraising is essential to making this a reality.

5. Describe your nonprofit or for-profit board experience. Please include any fundraising you may have done.

Board of Directors of Black Creek Diversified Property Fund Inc. since January 2006.

Chairman of the Board of American Marksman, LLC since 2016.

Member of Advisory Board at Prairie Crest Capital since 2017.

Chairman of the Board for AgPixel, LLC since 2014

I have helped raise money for all of these entities.

Board members are expected to make a monetary donation of some amount in addition to the membership fee. We strive for 100 percent board participation.
