

# Chautauqua team members on serving during COVID-19

With

Martha Lunsky -  
Hospitality Assistant

What is your role here at Chautauqua  
and how long have you been a part  
of the team?

I am a Hospitality Assistant at the front desk of the Lodging  
Office and have been a part of this team for close to 4 years.

What is the question you  
answer most for guests?

What is my favorite hike/trail which is the  
Enchanted Mesa Trail for a quick way to see  
some amazing views from our location.

Have you ever attended a  
concert/event at Chautauqua?

It will not be the same up here this summer without our  
concerts and one of my favorites two years ago was  
Keb Mo. I'm looking forward to his return next year!

What is the most unique part about Chautauqua to you?

I am reminded daily as I drive up to Chautauqua how beautiful the scenery is here and working at a National Historic Landmark has been interesting to hear all the stories from our Legacy guests who have been staying with us for many generations.

Do you have a favorite memory or spot of/at Chautauqua?

My mom and brother came out and stayed in our Idylwilde cottage two years ago and additional family members joined us for a special lunch at the Dining Hall.

What would your perfect day off (but spent at Chautauqua) look like?

Breakfast at the Dining Hall, trail run up the Enchanted Mesa Trail, reading a good book in a cozy cottage, happy hour at the Dining Hall (lots of the Brussel Sprout Apps) and Ice Cream from the General Store.

If you could have any other job at Chautauqua, what would it be and why?

Working with Jeff Rump in our amazing gardens because he can teach you so much about gardening.
